Hi John and Phil,

I am again confirming receipt of those funds and they were wired the next day per TC to the Eufora Operating account. If you need them added to the spread sheet, please let us know and we will be happy to amend it.

Nick:

I believe that Ron is still out of town; good for him. I have attached a spreadsheet of the funds that passed thru Ron's trust account from 05/05/09 to 12/07/09. Tommy Constantine handled the requests for distributions to/from the account during this period of time with your office. See the attached spreadsheet which your office previously provided to me. The only two items that are not included, I believe, in the spreadsheet are a:

12/16/09 wire for \$150,000 from John Kaiser, and  
12/29/09 wire for \$50,000 from John Kaiser.

Can you please confirm the receipt of those two wires and the subsequent distributions of those funds?

Thanks. Phil
